Statement on Anwar Ghazali

This morning, Blake Ballin appeared with his client Anwar Ghazali in downtown Memphis. Mr. Ghazali is charged with 1st degree murder in the death of Mr. Dorian Harris. This law firm has been retained by Mr. Ghazali and will continue to appear alongside him in this cause.

Mr. Ballin's statement reads:

"This has been painted in the community as an execution style killing over a stolen beer and that is simply not the case. I understand the uproar in the community...but there is more to this story than meets the eye."

Mr. Ballin and Mr. Ghazali will return to court on April 25th. Ballin, Ballin & Fishman will have no further comment at this time.
